John, Carrie, the FS letter will be signed in a few minutes. I went with plan B, meaning EPA will just re-do the ARARs table in the ROD and not worry about the FS version.

So the only thing Gary needs to do is fix the date on the cover page (August 2013), get rid of the redline/strikeout and get it to me and Robert Keating (cc'd above) as soon as possible.

Also when B&C has their final docs ready, please send me the link and, again, cc Robert Keating .

Lastly, I'll need a name/address/phone number for the bills from the newspaper and stenographer. Please send that to me and Natalie Loney (cc'd above).

I'm out of the office tomorrow and Monday (naturally), but can be reached at [REDACTED]

[REDACTED].

Ps, the meeting is going to be held on the 28th at 7:00pm at the Tremley Point Rec Building, 2907 Tremley Point Road.
